## STRALIA: Science Starts with You

Stralia , located at Spui 37, 2511 BL The Hague, The Netherlands, is responsible for the processing of personal data as shown in this Privacy Statement.

### Personal data

Stralia processes your personal data by using our services and/or by providing them to us. Below is an overview of the personal data that we process.

### Special and/or sensitive personal data

Our website and/or service does not intend to collect data about website visitors who are younger than 16 years, unless they have permission from their parents. However, we cannot check if a visitor is older than 16 years old. We encourage parents to be involved in the online activities of their children, in order to prevent data being collected without parental consent. If you are convinced that we have collected personal information about a minor without this permission, please contact us via [info@stralia.nl](mailto:info@stralia.nl). We will then delete the provided information.

### Purpose of the personal data

Stralia processes your personal data for the following purpose:

#### Automated decision-making

Stralia does not take decisions based on automated processing on matters that can have (significant) consequences for a person. These are decisions taken by computer programs or systems, without the involvement of a person (for example, a Stralia employee). Stralia uses the following computer programs or systems:

- **Google and Squarespace Analytics**

Google and Squarespace Analytics is used to gain insight into website visitor numbers, to monitor specific (product) interests and geographical origins of visitors. Stralia uses this data to better align its product portfolio and services with customer requests.

### Storage of personal data

Personal data is stored for a period of 3 years. After this period, the personal data is deleted.

### **Sharing personal data with third parties**

Stralia provides the personal data to a third party only if it is necessary for the execution of our services and in agreement with our customers or to comply with a legal obligation.

### **Cookies or similar techniques**

Stralia uses only technical and functional cookies and analytical cookies that do not infringe your privacy. A cookie is a small text file that is stored on your computer, tablet or smart phone when you first visit a website. The cookies we use are necessary for the technical operation of the website and your ease of use. They ensure that the website works properly and remembers, for example, your preferences. You can remove the cookies through your internet browser.
